### LOGGING IN

Enter your user login and password. If you were previously using DDReports, you will enter the same login and password here. If this is your first time using SpokeChoice, you should have received an email to get your login set up through the agency. If you have not received one, please contact us to get set up. Once you receive this email, follow the links to set up your password and return to the login screen. If you have forgotten your password, select, "Forgot Password" and follow the steps to reset your password. Make sure you click, "Remember me," so your device can save your login information for future usage.

If you receive a message asking if it is okay that this application can access your location information, make

sure you answer "Yes," or it will not have access to your GPS.

#### APPROVING CLAIMS

When you login to SpokeChoice, you will see two applications. The first is the portal. This is where you will go to see all timecard entries that are waiting for your approval. Once you've approved the time, you can approve by either selecting a specific claim and clicking, "E-sign." or choose "Select All," and "E-Sign"

at the bottom to approve all claims..

hand corner.

You can edit your profile by selecting the "Profile" tab at the top. Once you're finished, you can always return to the main page to review your applications again, by clicking the SpokeChoice icon in the top left

### LEARNING CENTER

You can use the learning center to watch tutorials on how to navigate SpokeChoice as a guardian or provider.

In the top left corner, you will see 3 vertical dots. By selecting this, you view all kinds of information about who is clocked in and what role you're using. You can also view your profile, refresh data, and sign out from here. If you happen to have multiple roles or an account with multiple agencies, you will switch between your roles or agencies here by clicking on the role you wish to clock in under.
