

SPOKECHOICE PROVIDER LOGIN INSTRUCTIONS

SETTING UP

On your phone, select a browser icon. Edge  or Chrome  works best. Due to outdated technology, Safari  is **NOT** allowed. Downloading Edge or Chrome is free and you can find them in your phone's app store.

In the address bar of the browser, type in www.spokechoice.com

SAVING SPOKECHOICE TO HOMESCREEN FOR ANDROID

You can save this website to your home screen as an easy access icon, by clicking the three dots in the right hand corner of the browser and selecting “Add to home screen.” This will add the icon, direction to your home screen, allowing you to easily access it for quick sign in.
